- Yacht's chart plotter track showing the yacht rounding the "virtual" mark. This must be transmittable to ISORA by email.

The onus of proof of having rounded the WAYPOINT mark will be with each yacht.

SHORTENED RACES

The race may be shortened at a mark and will be signalled by calling the fleet on **VHF Ch 37 (M)**. If the fleet doesn't finish a race or shortened race, the race committee may take the result from the mark at which one third or more of the fleet rounded.

There is no time limit for the ISORA race. The finisher may not be in attendance at the finish line for later finishers.

RETIREMENTS

Text ISORA on 00353 87 2545037. For safety it is recommended to also inform the Coastguard by VHF.

Avery Crest YB TRACKER

The **first 25 boats** entered in the race will be fitted with the Avery Crest YB Tracker. The Skipper, accepting the units will be responsible for the replacement cost of the unit in a situation that the unit gets lost or damaged.

The units can be collected from the Marina on Saturday 2nd July at 07.45. Boats not based in Dun Laoghaire may collect their units the Committee boat at the start line but only by prior agreement.

In order to set up the units all boats who are entered must declare that they are racing by 12.00 on Thursday 30th June. This declaration is a text to +353 87 2545037 stating that "Boat name" will be racing on Saturday. This is critical for the efficient running of the tracking system.

The trackers must be returned to NYC immediately after the race on Saturday 2nd July or by special agreed arrangement.

The tracking can be followed on the YB Tracking app for iPhones and Android. On downloading the app, the "ISORA Avery Crest 2016 Series" is purchased. This one purchase will give full access to all races in the 2016 Series. ISORA will benefit from the sale of this app.

Any queries relating to the Avery Crest Trackers should be dealt with by contacting Peter Ryan +353 87 2545037.
