## COVID-19 Self-Declaration

The following is drawn to your attention as a result of Covid-19. The RSGYC requests that all water users respect the government guidelines and each other's space.

Prior to accessing the RSGYC you must complete the self-declaration below.

Your co-operation and support are appreciated in completing this self-declaration form which is a requirement of the Government's Return to Work Protocol.

While accessing the RSGYC may not be considered a return to work, it is for the RSGYC staff and fellow members who need to know the health of boat owners/ sailors who present themselves to the RSGYC. This is a working environment and as such must be respected by all users including skippers, crew and sailors for the health and wellbeing of all.

If you answer Yes to any of the below questions, access to the RSGYC will not be permitted and you are strongly advised to seek medical advice with your GP and refrain from visiting the RSGYC until instructed.

Question		No	Yes
1.	Do you (or your child) have symptoms of cough, fever, high temperature, sore throat, runny nose, breathlessness or flu like symptoms now or in the past 14 days?		
2.	Have you (or your child) been diagnosed with confirmed or suspected COVID-19 infection in the last 14 days?		
3.	Are you (or your child) a close contact of a person who is a confirmed or suspected case of COVID-19 in the past 14 days (i.e. less than 2m for more than 15 minutes accumulative in 1 day)?

6.	Have you (or your child) travelled into Ireland from a location that is not on the COVID-19 Green List in the past 14 days?		

I confirm that I have answered the above questions truthfully based on my current condition and I commit to advising the RSGYC Sailing Office, and excluding myself (or my child) from the RSGYC, if this situation changes, i.e. if at any time in the next eight days I would answer "Yes" to any of the above questions.

Additionally, I agree to:

Advise the RSGYC Sailing Office if there are any other circumstances relating to COVID-19, not included in the above, which may need to be disclosed to allow access to the RSGYC.
