

Amendment No. 16- Facilitating The National Yacht Club's 150th Anniversary Race Day 5th September 2020

Note: Classes will start earlier than previously scheduled, some will start in a different order and/or from a different committee boat

Please see Schedule below for The NYC 150th Race Day which now applies to DBSC racing for Saturday 5th September

*Boats that normally race in the Red and Blue fleet and who have not entered the NYC Race Day will only be eligible to race the first race of the day and their points for that race will be included in their DBSC series score

*Boats that normally race in the Green Fleet and who have not entered the NYC Race Day, will only be eligible to race the first two races of the day and their points for those races will be included in their DBSC series score.

*Boats who normally race in the Dinghy Fleet and who have not entered the NYC Race Day, will be eligible to race the all three races and their points for those races will be included in their DBSC series score.

DBSC encourages all members to join with the NYC to mark their 150th Anniversary and all members will get a 50% reduction in the already minimal entry fees.

All proceeds after direct costs to the NYC will go to the Dun Laoghaire RNL
